MANCHESTER BEGINS WORK TOWARDS CREATING AN INCLUSIVE COMMUNITY FOR ALL

MANCHESTER, CT – SEPTEMBER 19, 2018 - The Town of Manchester's Department of Leisure, Family, and Recreation, in partnership with KJR Consulting, is building a strategy to increase engagement across the entire community, especially that have been less engaged in the past, and we want YOUR input!

KJR is engaging citizens across Manchester in dialogue about what engagement means to them, how to improve it, and how to make these improvements a reality. In collaboration with a core team of leaders throughout the community, KJR will use YOUR input and perspectives to define goals, and to build a plan to achieve equity and belonging for everyone in the Town of Manchester.
